Thank You!

Dear Skyline Church,

I would like to thank all of you for your cards, texts, visits and prayers during my health issues over the past nine months. You have provided a rainbow of cheer during this difficult period in my life. After seeking consultation from a specialist in Dallas, Texas, this past month, I am on the road to recovery. However, this will take several more months. The specialist in Texas said that my Christmas present would be a complete recovery. What a blessing this news was to me and my family. We saw a sign in one of the doctor offices which said, “God Heals. Doctor’s collect the money.” How true! As you continue to help others in similar situations, please know that you are recognized as God’s servants and His prayer warriors! We hope that we can be the same for you.

**With love and appreciation,
Danny and Susie Walker**
