

After School Mentoring and Summer Camp

First, let me say thank you to everyone who participated in our After School Mentoring Ministry this year. We had 15 mentors on Mondays, another 15 on Thursdays, and countless others who blessed us by bringing snacks and enrichment activities for the kids. God was, is, and will continue to be at work among everyone who was involved. Like most mission opportunities I am not entirely sure if we taught more than we learned, or if we blessed the kids as much as we were blessed by them. We are hope this ministry will continue to grow to God's glory and that many more people will prayerfully consider taking part in this ministry. Several months ago God put a burden on several hearts for us to continue and even expand our interaction with these kids over the summer. Out of that has emerged our Skyline Summer Camp.

The camp will be limited to 25 kids (1st to 6th grade). The majority of the kids will be kids who have already been involved with our afterschool mentoring or have been on the waiting list for that program. **We are also holding up to 5 spots for Skyline children.** We want to encourage more and more interaction between our church family and this ministry and we believe that both parties will be blessed because of it.

Camp will be every Tuesday and Thursday from 8:30 a.m. - 4:30 p.m. The camp begins June 2 and ends July 30. The summer will be filled with many great activities, field trips, and a lot more.

How to get involved?

- **If you have kids (1st to 6th grade), prayerfully consider enrolling them in the summer camp**
- **Volunteer 1 day or half-day a week** (We need at least 18 volunteers – 6 each time slot)
 - Thursdays (this will be our field trip day and we need our volunteers for most of the day)
 - Half Day Option - You can either volunteer Tuesday morning (8:30-12:30) or Tuesday afternoon (12:30-4:30)
- **Volunteer to bring a snack or provide a meal. We will have a light snack each morning and be packing sack lunches most Thursdays for our field trips**

Interested? Have more questions? The Mentoring leadership team will be located behind the Welcome Center following both services this morning to answer any questions you have about the summer camp and get you signed up to participate.

Meet our interns:

We will have two interns working part-time this summer with camp. Their salaries were completely funded out of the special mission contribution last December. Thank you for your generosity.
